Ring Sizer

To work out your ring size:

- ▶ Print the ring sizer.
- ▶ Cut it out with scissors and create a slot by cutting the dotted line next to the arrow.
- ▶ Secure the ring sizer by inserting the end of the ring sizer into the slot.
- ▶ Wrap it around the base of the appropriate finger.
- ▶ Make sure the paper fits snugly. You should be able to slip it over your knuckle.
- ▶ The arrow will point to your approximate ring size.

Example: shows size 8 ring
